

OpenRIT 6G Series

Open Research Infrastructures and Toolkits for 5G/6G R&D (OpenRIT 6G)

Innovation and Bridging the Digital Divide on the Path to 6G

This workshop focus on the critical role of open platforms and tools in accelerating the development of 6G networks while addressing societal challenges such as digital inclusion and connecting the unconnected.

By fostering collaboration through initiatives like OPENRIT-6G, the workshop will explore how open-source software, modular frameworks, and collaborative ecosystems can enable scalable, cost-effective, and inclusive 6G solutions.

Topics include open-source innovation, low-cost deployment for underserved regions, sustainability, integration of open platforms into cutting-edge research environments, education and capacity building and practical tools for real-world deployments.

Open Research Infrastructures and Toolkits for 5G/6G R&D (OpenRIT 6G)

Motivation and Objectives

The journey to 6G presents an opportunity to rethink connectivity paradigms with a focus on openness, practicality, and inclusivity. Open platforms and tools have been transformative for 5G, but their potential in 6G is even greater, offering:

- Accelerated Innovation: Open-source software and modular frameworks reduce barriers, driving rapid experimentation.
- Hands-On Capability: Empowering researchers and developers to experiment and deploy real-world systems using accessible tools.
- Equity in Access: Affordable, modular solutions to bridge the digital divide and connect underserved regions.
- Global Collaboration: Shared platforms and tools enabling interdisciplinary and cross-regional innovation.

OpenRIT 6G Chile 2025: The Venue

Welcome to Chile! Excellent weather in April 2025

OpenRIT-6G Latin America: A whole continent to connect (enjoy!)

México: Ayayay!

Colombia: Qué chimba!

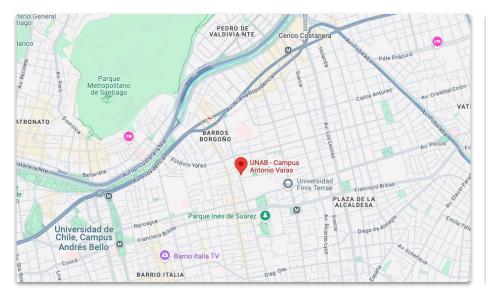

Brasil: Samba!

Argentina: Ché!

OpenRIT-6G Chile 2025 Location: Commune of Providencia, Santiago, Chile

Location: Commune of Providencia, Santiago, Chile https://maps.app.goo.gl/CC4eY2KuT3iap2wz9

A sector that combines urbanism, close to different attractions / restaurants / hotels, and pleasant surroundings with trees.

Venue: Campus Antonio Varas - Andres Bello University

Faculty of Engineering, located in Providencia

6 floors of teaching, research and I+D

Auditorium for 200 people

Multi-activity gymnasium

Cafeterias and poster locations

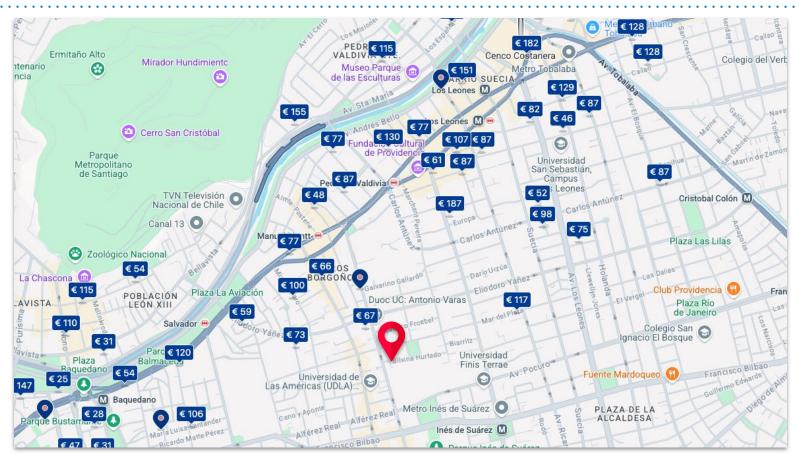

Computer laboratories for 25 people

OpenRIT 6G Chile 2025: Hotels

Several hotels near the OpenRIT 6G Venue

Panamericana Hotel Providencia

Panamericana Hotel Providencia

Booking:

https://www.booking.com/hotel/cl/panamericana-providencia.es.html

Location:

- Francisco Noguera, 146, Providencia, 7500006 Santiago, Chile
- https://maps.app.goo.gl/axu93aBgCX6wP8VS8

Price:

From € 95 (+€ 18 taxes), with breakfast

- Walking: 21 minutes
- Cabify / Uber: 10 minutes

Novotel Santiago Providencia

Novotel Santiago Providencia

Booking:

https://www.booking.com/hotel/cl/novotel-santiago-providencia.es.html

Location:

- Avenida Holanda 222 Providencia, Providencia, 7510084 Santiago,
 Chile
- https://maps.app.goo.gl/eZ542zv5itJVQY239

Price:

• From € 99 (+€ 19 taxes), with breakfast

Distance:

Walking: 30 minutes

Cabify / Uber: 10 minutes

Tagle Hotel Boutique

Tagle Hotel Boutique

Booking:

https://www.booking.com/hotel/cl/tagle-boutique.es.html

Location:

- Jose Miguel Claro 219, Providencia, 7500000 Santiago, Chile
- https://maps.app.goo.gl/4pcFbhFTC5BqMFeq7

Price:

• From € 100 (+€ 19 taxes), with breakfast

- Walking: 11 minutes
- Cabify / Uber: 3 minutes

hUB Providencia

hUB Providencia

Booking:

https://www.booking.com/hotel/cl/hub-providencia.es.html

Location:

- 333 Antonio Bellet, Providencia, 7500025 Santiago, Chile
- https://maps.app.goo.gl/h7c5vqmyAd8AjTH47

Price:

• From € 106 (+€ 20 taxes), with breakfast

- Walking: 18 minutes
- Cabify / Uber: 9 minutes

Ladera Boutique Hotel

Ladera Boutique Hotel

Booking:

https://www.booking.com/hotel/cl/diego-de-almagro-providencia.es.html

Location:

- Los Araucanos 2021, Providencia, Providencia, 8320000 Santiago,
 Chile
- https://maps.app.goo.gl/hBCRNXLSj3fc31bz7

Price:

• From € 116 (+€ 22 taxes), with breakfast

- Walking: 29 minutes
- Cabify / Uber: 12 minutes

Hotel Diego de Almagro Providencia

Booking:

https://www.booking.com/hotel/cl/diego-de-almagro-providencia.es.html

Location:

- Pio X 2530, Providencia, 7510024 Santiago, Chile
- https://maps.app.goo.gl/GphMtJQJf33FSAjA6

Price:

• From € 116 (+€ 22 taxes), with breakfast

- Walking: 35 minutes

Solace Hotel Santiago

Solace Hotel Santiago

Booking:

https://www.booking.com/hotel/cl/solace-santiago.es.html

Location:

- Monseñor Sotero Sanz 115, Providencia, 5550000 Santiago, Chile
- https://maps.app.goo.gl/kgcTjKMTV4fcbtKF9

Price:

From \leq 130 (+ \leq 25 taxes), with breakfast

- Walking: 19 minutes
- Cabify / Uber: 11 minutes

OpenRIT 6G Chile 2025: Transport

Transportation recommendation

From airport

The Santiago de Chile airport has no public transportation connection to the city. Therefore, we recommend booking with one of the following cab services:

- https://www.transvip.cl/
- https://transfer-santiago.cl/
- <u>https://wetransport.cl/</u>
- https://www.taxiaerosantiago.cl/index.html
- https://vip-transfer.cl/

For daily transportation

We recommend the use of mobile applications such as Cabify or Uber from the hotel to the conference venue
